

Is Giving Online Right for You?

Explore This Convenient and Secure Option for Your Contributions

- **Online Giving is Convenient** — You pay your bills online because it is convenient and secure. Now you can submit your contributions just as easily and quickly.
- **Online Giving is Consistent** — You can set up recurring contributions that are processed automatically. Of course, you can change or stop automated giving at any time. You can even request reminders in advance of the dates you set, so that you can make changes as necessary.
- **Online Giving is Intentional (even Biblical)** — While there is always a place for giving in response to a need, giving also needs to be planned as part of the Christian life, not leaving it to chance.
- **Online Giving Builds Perspective** — Giving at the same time you pay your bills sets your gift in relation to your total financial activity. When compared with spending on other areas of living, you can easily evaluate your stewardship of all your resources.
- **Online Giving Provides Quick Information** — At any time, you can view what you have given within a date range, including both online giving and all contributions made by other methods. You can even print a statement!
- **Online Giving is Protected** — All transactions are encrypted and transmitted at the highest level of security possible. Access to donor information is restricted, with a unique login and password for each donor.

- **Online Giving is Easy** – Just follow these five simple steps:
 1. Notify our office of your interest in online giving and include your home e-mail address. (See form below.)
 2. We will create an online account for you and send an email notice of how to access it. (Once defined, you can also access your account from a link on our regular website.)
 3. The first time that you open your account, you will be prompted to define a new password.
 4. You then indicate the bank account(s) that you will use for online giving.
 5. You then enter a one-time gift or set up automated contributions. And you're done. (At any time, you can still give by other methods. All your giving will be reported together.)
