Dear people of St. Anthony Parish,

We are in the process of updating our files at our parish office, and we would appreciate it very much if you could help us out.

There is much coming and going in a parish our size. New people come into the area. Parishioners move because of work to another area or out of state. We send out mailings and a number of people do not receive these mailings. When a family member dies, we also need to update. The same applies when there is an addition to a family. Telephone numbers often change.

The last time we updated our parish files was three years ago, and there is a need for us to work in this area of parish life at this time.

An updated census is most helpful to parish life in many ways. Especially, it helps us provide a base for preparing godparent/sponsor certificates for Baptism/ Confirmation. Most of all it helps us to know who our people are with accurate information. So, if you could fill out the bottom portion of this form and drop it in the collection basket, this would be very much appreciated. We will give you a few minutes after the homily at this Mass to do this. Some people believe they are registered when they are not. Some people wonder why they are not receiving certain mailings, and we discover that they are not registered.

Thanks in advance for your help! This is very much appreciated! God bless!

Fr. Reggie
